

Call for Indigenous artists for Niagara Health artwork commissions

Niagara Health is seeking submissions from Indigenous artists for commissioned artwork that will be displayed in our three Outpatient Mental Health Units in St. Catharines, Niagara Falls and Welland.

The artworks will combine representation of the community we serve, as well as the concept of 'two-eyed seeing' – acknowledging traditional Indigenous and western healing methods.

Community members will have an opportunity to assist in selecting artworks in August, with the unveiling to be held in late 2024.

A virtual information session is scheduled for July 4 at 3 p.m. to provide more information about the projects and answer questions from potential applicants.

**Submissions will be accepted until August 2 at 4 p.m.
