Ordering Prescriber,Intensivist

Work Step [4]
Prescriber orders a TEE

Decision [59]
Is this Outpatient or Inpatient

— inpatient
— outpatient

Radiology /Clerk / Scheduler

Off Page Reference [68]
Scheduling - ESM - Create Appointment Request

Decision [126]
is this patient at NHS /SCS

Work Step [203]
Clerk books a bed in HIU recovery SCS

Work Step [137]
Clerk books bed in Medical day unit (NFS)

SCS
NHS

Patient Registration Clerk

Off Page Reference [64]
Scheduling - ESM - Check In Appointment

Work Step [66]
Patient goes to MDU NFS

Work Step [244]
Patient goes to Echo waiting area

Off Page Reference [243]
Scheduling - ESM - Check In Appointment

Echo Technologist

Off Page Reference [188]
DI - Radiology - Work Assignment

Off Page Reference [189]
DI - Radiology - Study Preparation and Exam Start

Work Step [85]
Captures Images /Measurements for Cardiologist and sends to PACS

Decision [716]
Does the order need to be modified

Off Page Reference [190]
DI - Radiology - Exam Complete

Work Step [100]
Technologists send images to PACS and does a preliminary report in Ascend

Off Page Reference [248]
DI - Radiology - Work Assignment

Work Step [115]
Technologist Verifies patient ID and Order

Off Page Reference [219]
DI - Radiology - Order Modification

Work Step [249]
Reviews Order and Consults with Cardiologist and arranges time

NO
yes

Cardiologist,Intensivist

Work Step [95]
Cardiologist/Intensivist obtains Consent

Work Step [75]
Cardiologist/ Intensivist performs TEE

Work Step [56]
Complete post procedural notes in Millennium and final report in Ascend

Work Step [250]
Cardiologist approves

Decision [252]
Is this patient to be done bedside or in Department

Intervention Radiology Nurse,Medical day RN,RN(inpatient)

Work Step [71]
Patient arrives at Echo Department (SCS) Medical Day Unit(NFS)

Work Step [8]
Verify patient identification and order

Work Step [12]
Start IV. Initiate Power Plan for sedation and fills out Pre Procedure Documentation

Work Step [26]
Place and prep patient in the exam room. Attach vitals monitoring. Explain procedure

Work Step [35]
Administers sedation per performing cardiologist orders

Work Step [83]
Complete any Intraprocedural documentation during procedure

Off Page Reference [228]
DI - Radiology - Medication Process - Ad Hoc Medication Administration (MAW)

Decision [253]
Is this an inpatient or out patient

Work Step [257]
Complete post procedure sedation , and documentation

Work Step [46]
If at SCS sends patient to HIU Recovery bed
NFS recovers patient at Medical Day

inpatient
Outpatient

HIU recovery RN,Medical day RN

Work Step [45]
Complete post procedural sedation monitoring. Documentation per sedation policy.
