

SMART ZONE HOW TO HOSPITAL INFORMATION SYSTEM (HIS)

SMART ZONE HOW TO

Smart Zone is a new reminder functionality embedded directly within a patient's chart providing visual reminder that the patient is currently enrolled in a Clinical Trial (and has activity on their chart- like an appt, an admission or d/c, etc.).

Using Smart Zone

The Smart Zone Icon will appear on the right side of a patient's chart beside the Refresh button. Smart Zone will be available from any chart tab when a patient is enrolled in a Clinical Study.

This is what Smart Zone looks like on the Power Chart.

Attending:Sawula, Donald Alan, MD, FRCSC Dose Wt:80.000 kg (22-Aug-2024) Inpatient FIN: 22-004344 (Admit Dt: 2024-Aug-21 15	Loc:NF BR; NF3008; A HCN:ON 9456-789-333 LA :45:00 Disch Dt: <no -="" date="" discharge=""></no>

	Selected Visit		

1. Click on the Smart Zone icon the Smart Zone window.

The window opens to include a direct link to the Clinical Research tab in the table of contents.

The menu opens the Clinical Research tab and the Study Enrollment Mpage providing all protocol information.
