## ED Charge Nurse/Ward Clerk

After a patient has been admitted in the ED, they will automatically be flipped to the ED hold location in the same room. If you need to move that patient within the ED, you will then need to use the PM Conversation tab on the tool bar in the picture below.

- Click on Bed Transfer
- Select appropriate site and EDHOLD under Inpatient/Ambulatory Unit.
- Can look under Bed Availability or manually select the room and Complete
- This needs to be done so that the patient does not fall out of the hold locations
