

TIP SHEET HOSPITAL INFORMATION SYSTEM (HIS)

Residential Assessment Instrument (RAI) will be accessed through a custom Mpage located on the blue vertical bar on the MHA Inpatient Nursing and Psychiatrists positions. (interRAI Mpage)

Within the Mpage, there are tabs with the specific assessments to complete. In order to document on the correct assessment, select the tab that relates to the assessment that is due for the patient. If you select the wrong tab/powerform, you must redo the assessment on the proper tab/powerform.
