

Quick Registration

What is Quick Reg?

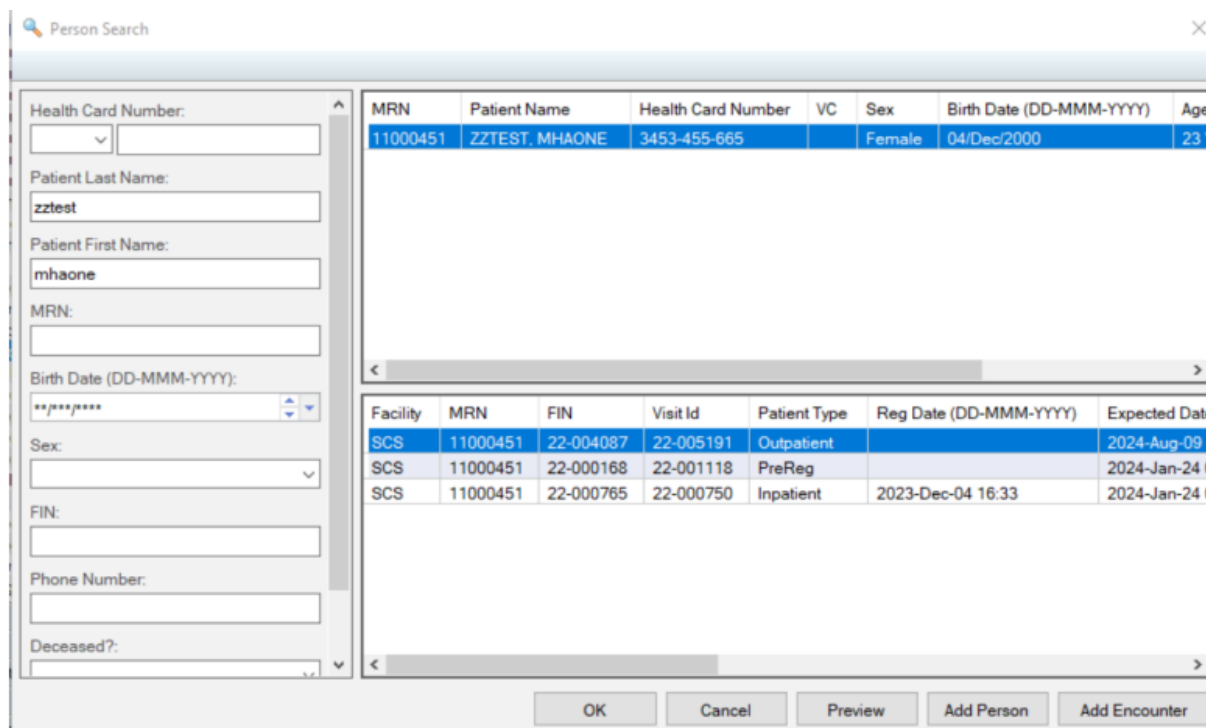

Quick Reg is the first step to get a patient registered and into the system. Once a patient is quick registered, a 'chart' is created/accessible to place orders.

How to do MH Addictions Quick Reg?

1. Log into citrix and AppBar with your username and password
2. For Registration, select Access Management Office (our preference) or Conversation Launcher
3. Select the MH ADDICTIONS QUICK REG

4. This will open the Person Search box. Enter your patient's first and last name in the appropriate fields. Hit enter on keyboard to search. If you're creating a new test patient select Add Person, if your patient already has visits, make sure the correct patient is selected in the top pane and select Add Encounter. If registering a pre-registered encounter on an existing patient, select the correct encounter in the bottom pane and select OK
