

# CARE AWARE OVERVIEW

## HOSPITAL INFORMATION SYSTEM (HIS)

### EVS, HOUSEKEEPING AND PATIENT TRANSPORT STAFF

1. To access CareAware Patient Flow, select the CareAware Patient Flow icon on your mobile device. This prompts you with a log-in screen.

2. Once you log in, the Status indicator is set to available. The Status indicator turns green.

3. When a job displays on your device, you will hear a ding to when you receive a new notification. Your screen will have a visible notification that you received a job. Upon unlocking the device, you can see the specific details for the job.
