

GOALS OF CARE DOCUMENTATION HOSPITAL INFORMATION SYSTEM (HIS)

PRESCRIBERS

Goals of Care Documentation (Resuscitation Status)

Note: Goals of Care Documentation Powerform is linked to the Goals of Care order. Prescriber must complete this form to complete the goals of care order as a single order or in a powerplan.

Do not cancel the original Goals of Care order as the new order will replace the old order.

1. Navigate to Table of Contents (Blue Menu) and select + Add next to orders.

2. The Add Order dialogue box opens. Either search Goals of Care order or the desired PowerPlan with

Goals of Care order in it and select the desired regimen to view. Then select

Done

1

- In this tip sheet, we will take you through the PowerPlan pathway.
- 3. Open order set with Goals of Care order in it. Check the Goals of Care order to order it:
