UNDERSTAND MILLENNIUM FOR PRESCRIBERS - CUSTOMIZING THE ORDER VIEWER

Customizing the Order Viewer

There are several ways to update the order viewer. https://www.niagarahealth.on.ca/files/his_tip_sheets/HISPrescriber-CustomizeOrderProfile.pdf

Go to the orders area and select the Displayed field. You are able choose the types of inactive orders that you would like to see or not to see, and the encounter types that should pull in.

In addition, you can customize how you view the orders. Right click on the Active Banner field and selected "Customize View". You will see the options on the columns to view which can be adjusted. As well, you can determine how to group the orders either by Active/Inactive State, and then by Clinical Category or vice versa.

TIP SHEET HOSPITAL INFORMATION SYSTEM (HIS)

Getting Help!

<u>If you are still experiencing access issues</u>, please contact **At-The-Elbow (ATE) support** or submit a ticket to the **<u>HIS Service Desk</u>**. Be sure to include **your device and username information** in your ticket:

https://niagarahealth.service-now.com/sp?id=monarch

Tips to Submitting a Ticket:

- Give as much detail as possible to ensure the Command Centre is able to quickly understand the issue and place it in a priority sequence.
- **W** Include the name of the person who is experiencing the issue and their contact information.
- Select the appropriate category, sub-category and priority of the issue.
- Attach a screenshot of the issue, or to help explain the issue, whenever possible, keeping in mind that no patient-identifiable information should be included in the screenshot.

If your issue has a direct and immediate impact on patient care and support staff are busy helping someone else, please **call 905-378-4647 Ext. 42850 PRESS 3** to speak to the Operation Monarch Command Centre staff.
