

Referral Order

The Referral order is to be used for referring to any of the Ambulatory Clinic Locations within Niagara Health and also to External Providers and External Practices

Part One: ED Physicians:

Click on the Add button beside Orders

In the search bar type in refer and look for the "Referral Order"

Click on the referral order and the "Done" button at bottom.

The referral order will open for modifications.

Modify the Order

1. The order must be modified and all the yellow required fields completed
2. Service: choose from the drop down
3. Reason for Referral: specify the reason
4. Refer to: click on the binoculars to choose the refer to location (see below for instructions)
5. Optional: all other fields, but you can specify the Urgency and a Service Date
6. Sign the referral and let the clerk know the patient has been referred to XXX.
