PowerChart Long Term Care
Project Name: Niagara Health System:OPT-0297674:NIAG_CD Niagara HIS RFP
TestBuilder Script(s):
Cerner Workflow ID: 176 (v. 13.0)
Client Workflow ID: 437
Workflow Notes: Nurse Manager is the role responsible for nursing patient assignments. Other titles for this role are Charge Nurse, Nursing Coordinator, Care Coodinator, etc. These users may also be in the base Nurse position. This workflow does not require them to be in a separate position to complete as floating between roles (bedside vs. charge) is common.
