

TIP SHEET HOSPITAL INFORMATION SYSTEM (HIS)

ADD-ON Test Order Monitor

1. Click on Laboratory Console on App Bar.

2. From the pull down menu, select the Add-On template for the location that you are working at (SCS ADD ON, NFS ADD ON or WS ADD ON).

Important Information

You MUST enable the auto refresh setting each time you long on or orders will not populate unless you manually click refresh (see instructions below).

Instructions to enable Auto-Refresh

- 1. Once the template loads
 - a. Click on Auto Refresh: OFF.
 - b. Ensure Enable box is checked off.
 - c. Enter desired interval for auto-refresh and click on.
