

How to Perform a Site to Site Routing Transfer Between NH Labs

1. Click on pending inquiry on App Bar.

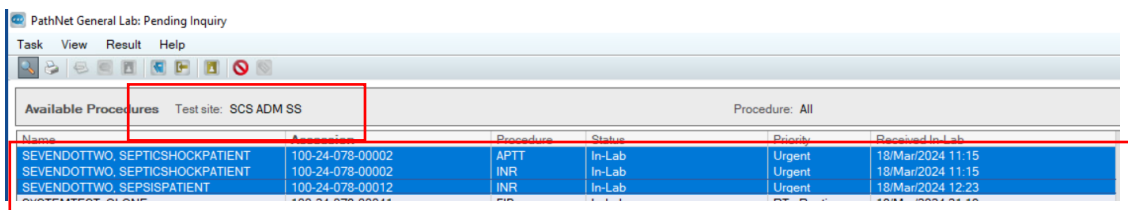

2. Ensuring the in-lab radial button is marked.
3. Select your test site/service resource for the specimens you wish to re-route to another lab.

4. Click OK.

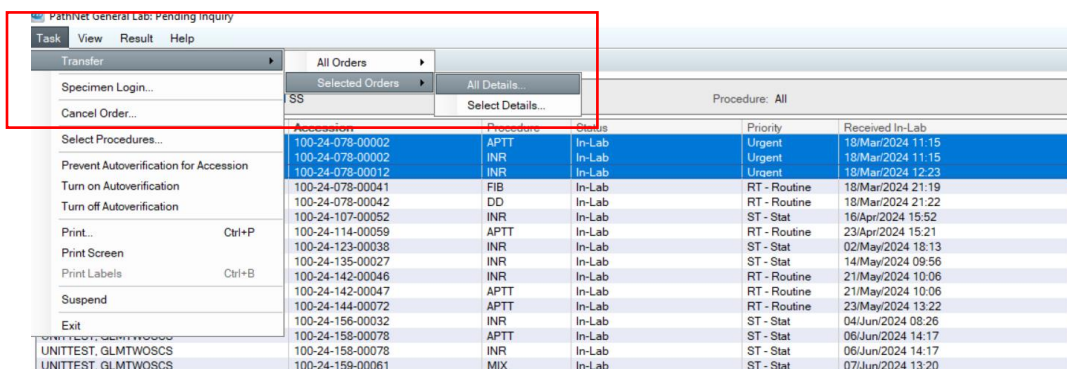

In this example we will re-route Coagulation Specimens from SCS lab to WS lab for testing.

5. Highlight the specimens from the available procedure that you wish to re-route from SCS to WS.
Note: the current test site for these specimens is SCS ADM SS.
